

Switch has been owned and operated in the Territory since 1997

We offer superior Internet solutions for home and business
& incorporate the services of Driver Web Designers for Website Development & Hosting

Installation Address Phone Number

Area code: Phone number:

If current customer of Switch, is this application to replace your dialup account? (Please circle) YES NO

* The installation phone number is the line the ADSL service will be installed on. The name and address must be the same as you see on your phone bill (The owner of the service). Your application will not be successful if names & addresses do not match the phone bill.

** A signature is required for all applications, the applicant must be over 18 years of age.

*** Shaped plans: After you reach your limit of data for the month your speed will drop to 64k. You will not be charged an excess.
